REMOVAL OF NAME OF MEMBER AS COSPONSOR OF H.R. 6181

Ms. STRICKLAND. Madam Speaker, I hereby remove my name as cosponsor of H.R. 6181.

The SPEAKER pro tempore (Ms. MANNING). The gentlewoman's request is accepted.

ENHANCING SOCIAL SECURITY

(Mr. LARSON of Connecticut asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LARSON of Connecticut. Madam Speaker, I am here to commend Chairman NEAL and the Racial Equity Initiative headed by TERRI SEWELL, STEVE HORSFORD, and JIMMY GOMEZ, and also to recognize JOYCE BEATTY, for the work that they have done in bringing forward the inequity that has existed in this country for far too long.

More than 5 million of our fellow Americans get below poverty-level checks from Social Security because the Congress of the United States has not done anything to enhance Social Security in more than 50 years.

Whom does that affect the most? It affects women of color and women specifically—people who held jobs who weren't earning the same kind of salary or wages and people who were caregivers at home for their children.

Help is on the way. Social Security 2100 is coming to the floor, and finally, millions of Americans who get below poverty-level checks after having worked all their lives and paid into a system are going to get what they richly deserve.

AMERICA DESERVES ENERGY FREEDOM

(Ms. FOXX asked and was given permission to address the House for 1 minute.)

Ms. FOXX. Madam Speaker, the American people are asking one simple question: Why does the Biden administration hate energy freedom in America?

They have asked that question every time they have gone to the gas station and seen prices skyrocketing. Now, they are asking that question as this administration is falling to its knees and begging Iran for a nuclear deal. Sacrificing our geopolitical leverage by appealing to our enemies is appalling, and it is the last thing that should ever be considered.

Madam Speaker, this administration would rather be awarded a participation trophy than dig in and fight to put American interests first.

That mentality is bankrupting our great country, and we have been led into a political minefield. It is a display of pure weakness and an absolute disgrace.

HONORING THE LIFE OF INGEBORG HEUSER

(Ms. ESCOBAR asked and was given permission to address the House for 1 minute.)

Ms. ESCOBAR. Madam Speaker, it is with a heavy heart that I rise today to honor the life of Ingeborg Heuser, who passed away after a lifetime in the arts.

Ingeborg immigrated to the United States from Germany after World War II, arriving to El Paso in 1953 as the wife of a servicemember.

As a classical ballet dancer, she opened her first studio that year and became ballet director of the Texas Western Civic Ballet. Over the next 47 years, she would establish and direct Ballet El Paso, Ballet of the Americas, and the University of Texas El Paso ballet. Thousands of students passed through her studio doors, and countless audience members were exposed to a wide range of classical ballet through her service.

Her cross-border collaborations with companies in Europe, Mexico, and Latin America contributed to the exchange of international artistic endeavors, including the first U.S.-Mexico repertory exchange in 1977.

Madam Speaker, we have lost one of El Paso's shining stars, a trailblazer of the arts for our region. I ask you to join me in paying tribute to the life of Ingeborg Heuser. May her legacy and commitment to the arts continue to be an inspiration to us all.

HONORING THE LIFE OF JOEL WILLIAMS

(Mr. CARTER of Georgia asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. CARTER of Georgia. Madam Speaker, I rise today to recognize and honor the life of Joel Williams.

Joel was born December 19, 1942, in the family farm kitchen in Dacula, Georgia. Unlike many children nowadays, Joel grew up without electricity and indoor plumbing, learning to read by kerosene lamps.

His drive and determination revealed themselves early as he earned valedictorian honors at Dacula High School and graduated magna cum laude from Shorter College. He then went on to attend Walter F. George School of Law at Mercer University where he was the first honor graduate of the class of 1967.

Joel began his legal career as an assistant attorney general of the State of Georgia under Arthur K. Bolton. He then left Washington for Savannah in 1971 to become vice president and chief compliance officer for Savannah Foods

and Industries. During this time, he met his wife of 25 years, M'Liss Gurney Williams, and had two beautiful daughters.

Joel committed his life to political and community service. Through all of his achievements, Joel was most proud of his daughters and grandchildren. Joel was a loving and devoted father. The children he raised and grandchildren he loved will forever remember the man Joel was throughout his life.

UKRAINE NEEDS OUR HELP

(Ms. KAPTUR asked and was given permission to address the House for 1 minute.)

Ms. KAPTUR. Madam Speaker, I rise tonight to call attention to the continuing horror being unleashed in Ukraine by the treacherous tyrant Vladimir Putin, a pitiful creature of darkness.

Forty-four million freedom-loving Ukrainians deserve to live in peace and freedom. They voted for liberty, 90 percent of them. They have done nothing to Putin. They pose no threat to Russia.

Putin invaded a sovereign nation and is committing war crimes against civilians. He is creating a humanitarian crisis flooding across Europe. The trains aren't big enough to haul all of the people seeking peace.

In the 11 days since he invaded, and since 2014, he has murdered hundreds of Ukrainians, in addition to the 14,000 Russians killed in Ukraine, and over 1.5 million have fled across the border into neighboring countries.

The American people are opening their hearts with humanitarian aid, but the free world must help provide more fighter jets, Javelins, Stingers, small arms, ammunition, body armor, and air defense.

Ukraine is the scrimmage line for liberty in Europe. Here, at the beginning of the 21st century, liberty requires vigilance for Ukraine.

CONGRATULATING KENNETH BURKETT

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Madam Speaker, I rise today to congratulate Kenneth Burkett, a Jefferson County resident, for receiving the Crabtree Award from the Society for American Archaeology.

This award is given annually to an outstanding avocational archaeologist in remembrance of Don Crabtree. Mr. Crabtree brought experimental archaeology to prominence.

Recipients of the Crabtree Award are archaeologists who have contributed to advance the understanding of local, regional, and national archaeology
